# It's your Choice

Films and videos are classified to help you and your family make informed viewing choices. The Entertainment Software Rating Board (ESRB) video game rating system has been adopted by the province of Ontario to help you decide if a particular game is suitable for you and your family.

Film exhibitors and retailers are required by law to enforce the age limits set by the current rating system. Video game retailers also have a responsibility to enforce the age limits set for ESRB Mature and Adults Only rated video games.
